Please note that we have incorporated the points system as defined in the Constitution – i.e. the Club scoring the lowest number of points at each round will be awarded maximum points, the second lowest, one point less, and so on. The maximum number for the Seniors & Veterans is 21, this being the number of Clubs affiliated to the League. The maximum points for the Under 20s is 10. Maximum points for the U17, U15, U13 & U11 categories is 15. The latter two maximum points have been arrived at in view of the numbers of Clubs fielding teams thus far. These maximum points will be changed if the number of Clubs fielding teams rises above them. However, they will not be reduced irrespective of the number of competing teams. Team scores for Match One and Match Two have been amended accordingly and are reflected in the cumulative team results herein.
