NOTES

If you would like photographs you have taken at any of the League's Matches put on the web, please e-mail them giving details of the match concerned and the name(s) of the runners. Remember, if you are sending photographs we need permission to publish them.

Results

Following publishing Match Five results on the web, the following corrections have already been made and are now incorporated in the results: Senior Men – position 83 was missed off and the inclusion has resulted in positions originally listed as 83-119 becoming 84-120; U13 Boys – Race 1 positions were wrongly recorded in the cumulative listing as the guest runner had been left in – this has resulted in the positions moving up by one and the overall points changing.

For further corrections/queries please contact Brenda Bradshaw
