31st August 2006

As you are aware, discussions began some time ago regarding the possible merger of local cross country leagues. As a result of those early discussions, three Leagues – Manchester & District, North West Womens and Cheshire – agreed that a merger would be advantageous.

As a consequence, this League has now been suspended for a period of one year and Clubs are invited to affiliate to the new combined league – The Manchester Area Cross Country League.

Full details are being posted to the Clubs this weekend. You can access these details by selecting the **Manchester Area XC** section from the home page.

If you have any queries, please contact me by email or telephone and I'll do my best to answer them.

Best wishes and we hope to see you in October.

Brenda Bradshaw
Hon. Sec. M&DCCL
